GUIDELINES

NOVICE:

For those who have not previously won a first prize in a similar class at Royal Hobart Show.

CROCHET: Exhibits not to be mounted. Knitted bands not permitted

EMBROIDERY & NEEDLEWORK: Framing, where applicable, will be taken into consideration when the exhibit is judged.

Work is to be clean and well presented. Deductions will be made for:- Worn threads, missed stitches, uneven tension, visible design marks, visible carriage of threads, inconsistent direction of stitches in cross stitch items, cushions poorly filled. It is the exhibitor's responsibility to ensure external dimensions of frames meet class size criteria.

FASHION ACCESSORY: Suggestions for accessories may include; handmade bags, head decorations, ties, jewellery designed to be wearable, fashion shoes covered with material to be worn as designer accessories and scarves and hats (other than knitted)

FASHION GARMENT CONSTRUCTION: Details that are to be considered when judging include: seams, hems, fastenings, general finish, neatness, cleanliness and wearability.

Machining must be uniform, well placed with functional zippers, plackets, overlaps even in width, evenly stitched and neatened both ends.

Button Holes are to be evenly spaced, neat, durable and suitable for garment type.

Degree of difficulty will be taken into account when being judged.

Embroidery on garments, e.g. appliqué, smocking, etc. will only be assessed as appropriateness to the garment, neatness and degree of skill.

JEWELLERY: Must be mounted for display. Handcrafted from any medium. Designed to be wearable.

HAND KNITTING: Correct and even tension, patterns should match all seams. Knitting must be finished without knots and wool joined at seams with no ends.

Flat seams must be used on babies' knitwear. Ribbon should not be used at the neck of the garment.

Crochet finish and machine bands allowed. Shawls must be blocked – **Blocking:** When pressing is directed, place each piece on a padded surface with wrong side of work facing you. Without stretching any of the fabric, pin pieces to the padded surface, then press. Wait until the fabric has cooled before taking out the pins. Note: do not press ribbing, do not press acrylic items.

PATCHWORK ARTICLES: Must be constructed from fibre. Must have loops or sleeves for hanging. i.e. cushions, quilts, tableware. Details to be considered when judging: even joins, general finish, neatness and cleanliness.

Traditional: Design features traditional patchwork blocks, techniques, settings and finishing, appliqué crazy patchwork and whole cloth quilts are included. **Non-traditional:** Design is a deviation from traditional patchwork using contemporary design and/or techniques, settings and finishing; appliqué whole cloth quilts are included.

SOFT TOYS: Toys should be life-like, with clean filling, no lumps and should be firmly and evenly stuffed.

SPINNING, WEAVING & DYEING: Hand spun and dyed entries must be presented in a skein and be of at least 50gm unless otherwise specified. Skeins are to be tied in (4) places in a figure of eight. The tie must be made from the same yarn as the entry. The skein must be twisted into a neat hank. All required information about fibres and dyeing must be written on the tag or labels. **Do not use safety pins** to attach tags or labels – use a matching piece of yarn and tie it to one of the figure of eights ties. All skeins are opened for judging and pins can cause damage. Pay particular attention to the evenness of the twist, ply and dyeing. **Weaving:** pay particular attention to maintaining a consistent weave with neat edges. Use a tag to explain any unusual techniques or fibre choices.

COOKERY: Check size and shape of cake stipulated in schedule. All cookery to be on white paper plates. Small white plastic bread and butter plates to be used for cup-cakes, biscuits etc. that have 4 to be submitted. Containers: Exhibitors are to take their containers after delivering their goods. RAST will not be held responsible for any container that is left.

Line cake tins carefully and remove lining paper for presentation. Cakes must be level (no hollows or depressions) and of even colour. Hollows or depression can indicate insufficient cooking.

All jams and jellies must be covered in cellophane first then a screw top lid. No cellophane only covers accepted.

All sauces, relishes and pesto must be covered in cellophane first then a screw top lid. No cellophane only covers accepted.

POINTERS FOR SHOW COOKING

Marshmallows	Should break when twisted twice and be firm to the touch
French Jellies	Firm and good colour, try and put two colours together as this is much more appealing
Butterscotch Pieces	Should be uniform size and shape with clean cut edges, avoid over handling as this will dull the surface
Fudge	Do not overbeat as it grains too much and loses its bright colour
Chocolates	Moulded chocolates should have a good gloss. To achieve this, don't overheat chocolate and handle very little
Coconut Ice	Another sweet not to be overcooked, as it becomes hard to cut. Most schedules say boiled, not made with cophu. Also don't colour pink too brightly
Caramels	The colour should be rich buttery and according to type
<i>Make all sweets a uniform size, in a collection, always name all varieties. Make sweets approximately 4cm in size.</i>	
Scones	Light and fine in texture. This comes about by kneading well. Size should be approx. 5cm is diameter for show work, scones should never touch while cooking. Before bringing scones to a show, rub any visible flour off with a soft cloth.
Butter Cakes	Good texture and flavour, light to touch. For sandwich cakes always weigh mixture so each cake is the same depth and join with a fine line of icing.
Sponges	A good sponge is light and moist but not soggy, delicately and evenly browned with no overhanging or sugar spots.
Biscuits	Texture of biscuit should be fine and crisp. Flavour plays a big part in judging. The flavour should denote what type of biscuit it is. In a collection, name each variety and ensure size uniformity.
Fruit Cake	Flavour should be very pleasing with fruit distributed evenly. When cut, fruit should have a glossy look. If overcooked, fruit will start to burst. The top should be nice and smooth. This can be achieved by wetting your hand and patting the top of the cake before cooking.
Shortbread	To be a delicate straw colour. When tasted, should leave a rich butter taste in your mouth.
Gluten Free	Baked goods to be suitable for people with coeliac/ceciac disease. Items will contain no wheat or barley products.

ICED AND DECORATED CAKES: Ribbon and wire are permissible in these classes. Cleats (enable the board to be moved easily. Cleats are small pieces of wood approx. 1.5cm to 2cm or small furniture pads, glue to the base of board, must be evenly spaced) are to be placed on the bottom of boards.

Boards must not exceed 38cm in diameter or 40cm in height, on all decorated cakes unless otherwise stated.

The following are not permitted: pins, wires that penetrate the covering of the cake, inedible ornaments, decorations or metallic paint.

Non-toxic gold and silver may be used to highlight a name or small feature. Dummies may be used to substitute cake unless otherwise stated.

NOVICE: For those who have not previously won a prize in a similar class at Royal Hobart Show.

EXHIBITOR AGE: To be taken as at 1st October of Show Year.

YOUTH SECTIONS: The name of the school, student and date of birth are to be included on the entry form. Individual entries are accepted. The school need not be nominated if the exhibitor is making an individual entry.

SCHOOL ENTRIES: The name of the school, student and date of birth of student are to be included on the entry form.
