Can you please forward this information onto any of your staff, volunteers, workers and stakeholders attending the venue for the event to allow them time to complete this important safety process.

Although we are some months away from the event commencement. We view this process an important part of your WH&S site specific training for entering the site and fulfils the obligations required by all PCBU's under the current Work Health and Safety Act 2012.

Use the following link to access the training portal. At the successful completion of the assessment, details will be sent to the RAST Administrator and an induction card will be sent to each inductee's nominated email address.
