## Reasons to enter.....

### Gold, Silver and Bronze

The value of winning a medal can be *enormous* in terms of marketing power, even for those who don't win, just entering gives wine producers the opportunity to benchmark their wines and perhaps improve it. In this way the RAST believes the Royal Hobart Wine Show is an important contributor to the development of fine Australian wines.

Each year, the Wine Show attracts wine entries from all around Australia with judging undertaken by a panel of international, national and Tasmanian experts.

The prestigious RAST Trophy - Best Pinot Noir is the major award and attracts pinot noir entries from all over Australia. .

## 40+ years of experience & history.....

The Royal Agricultural Society of Tasmania traces its history back to 1821 when a group of residents of Van Diemens Land corresponded with the Official Secretary and gained approval for the establishment of a Society for the protection of animals. Tasmania has the distinction of being the first colony in Australia to form an Agricultural Society when the "Van Diemens Land Agricultural Society" was formed in Hobart Town on 1st January 1822. The first show was conducted in January 1822, in the Old Market Place, just in front of the present State Parliament House.

The first Royal Hobart Wine Show was held in conjunction with the Royal Hobart Show 22 to 25 October 1974, entries totalled 382.

Since 1974 the Royal Hobart Wine Show has grown and entries have increased to over 2,500 on average with a peak entry record of 3,254.

The Wine show now enlists international judges to join our Australian judges. We have previously engaged judges from Singapore, New Zealand, South Africa, United Kingdom and the UAE.

Past visiting judges have come from the United Kingdom, South Africa, New Zealand and China.

The Royal Hobart Wine Show is the only wine show in Australia with Certified Quality Management accreditation ISO 9001 which is strictly adhered to.

Judges Comments:

Range of styles, watch Oak use. Some wines look firm and hard.

A lot of very impressive fruit weight and texture in the 2016s. Condition generally very good. Best wines just had the length and layers of complexity. Many wines forward and oxidised.

Variable class overall. Surprising number of wines being premature, but overall well made, solid, nice texture. A few wines with a little too much oak. Better wines had the length, freshness and fruit expression, regardless of style.

Mixed class where shiraz dominated blends seemed to do better in general than cabernet dominated blends. The exception was the top wine, a cabernet dominated blend.

Really interesting class with some great wine styles produced. Awarded wines showed balanced fruit / oak / tannin while the over oaked or extruded wines missed out. A fun class to judge. Really enjoyable and well made.
