2020 Royal Hobart Show Ferret Competition - Rules & Regulations

After two very successful years of mounting a ferret display at the Royal Hobart Show the organisers have responded to the popularity of the exhibit to stage a formal competition for ferrets as part of the 2018 Show.

Competitions are an integral part of agricultural shows and allow exhibitors to benchmark their stock against fellow breeders and, in the process, advance the quality of the breed in the pursuit of excellence.

Ferrets have had a role in agriculture in Tasmania since the establishment of the early colony and it is appropriate that they are included in the State's premier agricultural show.

The Royal Agricultural Society of Tasmania advise that participation (including passive participation) in animal handling at an agricultural show contains elements of risk, both obvious and inherent. The handling of animals is a dangerous recreational activity as animals can act in a sudden and unpredictable way, especially when frightened or hurt.

1. By signing this waiver I acknowledge that:

- 1.1 participation in animal handling is a recreational service for the purposes of section 139A of the **Australian Competition and Consumer Act (Cth) 2010**, and also a recreational activity for the purposes of Section 19 of the **Civil Liability Act (2002) TAS**;
- 1.2 participation in animal handling is a hazardous activity and may result in injury, loss, damage or death to me;
- 1.3 participation in animal handling requires certain skills and experience. I declare that I have sufficient skills and experience to be able to safely and properly participate in the events;
- 1.4 animals can act in a sudden and unpredictable ways, especially if frightened or hurt, or if exposed to loud or unfamiliar noises;
- 1.5 animal showing events will be held in close proximity to rides and large groups of people, and that there may be loud and unfamiliar noises which can frighten animals;
- 1.6 if the event is held outdoors, there are risks to me as a result of the weather conditions, including either extreme hot or cold weather, rain or wind;
- 1.7 insects or other animals may cause animals to become frightened and act in an unpredictable way;
- 1.8 there is inherent in events involving the handling of animals the risk of suffering injury including injuries caused by animals; and
- 1.9 I use the facilities supplied for the event entirely at my own risk, as I find them and with the prior acceptance of the risk of possible danger to me.

- 2 If I suffer injury, loss or damage (**Loss**) while participating in an animal handling event, I will not hold the Suppliers, their employees or agents legally responsible for any Loss I suffer. I will not sue the Suppliers, their employees or agents for any claims, costs, damages or liability. I agree to release the Suppliers and their employees from legal responsibility for the services I have been provided and/or activity I have participated in.
- 3 I acknowledge and agree that my participation in the event and associated activities is dangerous and may have inherent risks as a result of which personal injury (and sometimes death) may occur. I acknowledge that the event and associated activities carry with them a significant risk of physical harm. I accept and assume all such risks of personal injury or death in anyway whatsoever arising from these activities and hereby waive my individual right to sue the Suppliers for all claims I or my representatives may have for such personal injury or death against the Suppliers in regard to their negligence, breach of statutory duty or statutory guarantees arising from or in connection with these activities to the fullest extent permitted by law.
- 4 At the time of participating in the event, I have not been to any degree under the influence of alcohol or illicit drugs.

- 5 I will not consume any alcohol or illicit drugs while participating in the Event and agree that such use may result in my being excluded from the Event or other events with no entitlement to any refund of money paid for entry to the Suppliers.
- 6 I agree to be bound by the rules and guidelines of the Royal Agricultural Society of Tasmania as varied from time to time.

Where the participant is over 18 years of age:

I agree that I have read and understood this waiver prior to signing it and agree that this waiver will be binding on my heirs, next of kin, executors and administrators.

I acknowledge that the Suppliers have permitted me to participate in the activity the subject of this document in reliance upon the matters acknowledged by me and the representations I have made herein.
