ANIMAL HANDLING (Individual) PARTICIPANT RISK ACKNOWLEDGEMENT & WAIVER

Name of Participant:

Participant Address:

Contact Number of Participant:

Email

The Royal Agricultural Society of Tasmania advise that participation (including passive participation) in animal handling at an agricultural show contains elements of risk, both obvious and inherent. The handling of animals is a dangerous recreational activity as animals can act in a sudden and unpredictable way, especially when frightened or hurt.

1. By signing this waiver I acknowledge that:
 - 1.1 participation in animal handling is a recreational service for the purposes of section 139A of the **Australian Competition and Consumer Act (Cth) 2010**, and also a recreational activity for the purposes of Section 19 of the **Civil Liability Act (2002) TAS**;
 - 1.2 participation in animal handling is a hazardous activity and may result in injury, loss, damage or death to me;
 - 1.3 participation in animal handling requires certain skills and experience. I declare that I have sufficient skills and experience to be able to safely and properly participate in the events;
 - 1.4 animals can act in a sudden and unpredictable ways, especially if frightened or hurt, or if exposed to loud or unfamiliar noises;
 - 1.5 animal showing events will be held in close proximity to rides and large groups of people, and that there may be loud and unfamiliar noises which can frighten animals;
 - 1.6 if the event is held outdoors, there are risks to me as a result of the weather conditions, including either extreme hot or cold weather, rain or wind;
 - 1.7 insects or other animals may cause animals to become frightened and act in an unpredictable way;
 - 1.8 there is inherent in events involving the handling of animals the risk of suffering injury including injuries caused by animals; and
 - 1.9 I use the facilities supplied for the event entirely at my own risk, as I find them and with the prior acceptance of the risk of possible danger to me.
- 2 If I suffer injury, loss or damage (**Loss**) while participating in an animal handling event, I will not hold the Suppliers, their employees or agents legally responsible for any Loss I suffer. I will not sue the Suppliers, their employees or agents for any claims, costs, damages or liability. I agree to release the Suppliers and their employees from legal responsibility for the services I have been provided and/or activity I have participated in.

- 3 I acknowledge and agree that my participation in the event and associated activities is dangerous and may have inherent risks as a result of which personal injury (and sometimes death) may occur. I acknowledge that the event and associated activities carry with them a significant risk of physical harm. I accept and assume all such risks of personal injury or death in anyway whatsoever arising from these activities and hereby waive my individual right to sue the Suppliers for all claims I or my representatives may have for such personal injury or death against the Suppliers in regard to their negligence, breach of statutory duty or statutory guarantees arising from or in connection with these activities to the fullest extent permitted by law.
- 4 At the time of participating in the event, I have not been to any degree under the influence of alcohol or illicit drugs.
- 5 I will not consume any alcohol or illicit drugs while participating in the Event and agree that such use may result in my being excluded from the Event or other events with no entitlement to any refund of money paid for entry to the Suppliers.
- 6 I agree to be bound by the rules and guidelines of the Royal Agricultural Society of Tasmania as varied from time to time.

Where the participant is over 18 years of age:

I agree that I have read and understood this waiver prior to signing it and agree that this waiver will be binding on my heirs, next of kin, executors and administrators.

I acknowledge that the Suppliers have permitted me to participate in the activity the subject of this document in reliance upon the matters acknowledged by me and the representations I have made herein.

I agree that this waiver shall be governed in all respects by and interpreted in accordance with the laws of Tasmania.

Where the participant is under 18 years of age (to be completed by a parent or guardian):

Participant's Date of Birth.....

I, being a parent or legal guardian of the above named participant hereby consent to my child participating in this event.

I confirm that I have read and understood and explained to the participant, this waiver prior to signing it and agree that this agreement will be binding on my (and his/her) heirs, next of kin, executors and administrators.

I acknowledge that the Suppliers have permitted the participant to participate in the activity the subject of this document in reliance upon the matters acknowledged by me and the representations I have made herein.

Our **2019 Royal Hobart Show**, online safety induction is now available to complete for the event.

The safety induction portal is compatible with tablets and ipads, Macintosh Computers and Personal Computers.

Can you please forward this email onto any of your staff, volunteers, workers and stakeholders attending the venue for the event to allow them time to complete this important safety process.

Although we are some months away from the event commencement. We view this process an important part of your WH&S site specific training for entering the site and fulfils the obligations required by all PCBU's under the current Work Health and Safety Act 2012.

Use the following link to access the training portal. At the successful completion of the assessment, details will be sent to the RAST Administrator and an induction card will be sent to each inductee's nominated email address.

Your induction card must then be printed out, signed and carried with you at all times whilst onsite for the event.

We encourage your staff and stakeholders to complete this process early to ensure that they have no issue with accessing the venue during the move in or out phases of the event.

Hi visibility vests must also be worn during the move in and out phases of the event and an current induction card must be available upon requested or access to the venue may be denied until the issue is rectified.
